

Application for Sponsorships

Field Fresh Farmers Market provides a venue for farmers and other vendors to bring fresh, nutritious, high-quality food grown or produced in the region. It is our goal to be a part of the greater Frederick Community and a place where local residents and their families can come to get the freshest local products available. We provide a friendly atmosphere where customers can actually get to know the people who are producing the food and products that they are purchasing. It is our desire to be customer's first choice when they purchase food for their families and to afford them the opportunity to be able to have a safe, comfortable and friendly place to shop. We attract customers from all "walks of life," millennials, seniors and everything in between. Through your support of being a sponsor you can help assure that places like ours will still be available to the community. By becoming a sponsor it also offers you an opportunity to introduce your business to these same consumers and give you the chance to further enhance your exposure to the community. We hope that you will consider becoming a sponsor of Field Fresh Farmers Market! ***All sponsorships need to be approved by Market Ownership. If not accepted your fees will be returned to you***
